speedrax

Need to organise your lineside small parts storage?

... Speedrax Kanban is the perfect solution!

Speedrax bolt-free shelving, complete with sloping shelves and small parts containers, provides an excellent Kanban storage system.

- Easy bolt free assembly.
- Available as standard bays complete with open fronted storage bins for easy access.
- Kanban shelving bays will be 1800mm high x 1200mm wide and 450mm (Kanban 1) or 600mm deep (Kanban 2)
- Choose **Kanban 1** with 14 (2 rows of 7) MX002 containers on each of 5 sloping levels or **Kanban 2** with 10 (2 rows of 5) MX003 containers on each of 4 sloping levels.
